Sight of the sun by Fun

For once there is nothing up my sleeve
Just some scars from a life
That used to trouble me
I used to run at first sight of the sun
Now I lay here waiting for you to wake up
The city outside still sounds like it's on fire
You put on new sheets
The white flag of a Saturday night
I know we stayed up talking in circles
But I like to think the symmetry
Will keep me closer to you
For everyone, (1)_____ out to prove wrong
You keep the light on
The only one, you know me better than the truth
So, despite what I've done
I pray to God that we can move on
Because thus far you are the (2)_____ thing
That this life has yet to lose
And, for once there is nothing up my sleeve
Just some scars from a (3)_____ that used to trouble me

I used to run at first sight of the sun
Now I lay here waiting for you to wake up
I lay here waiting for you to wake up
So if you gonna leave, if you gonna go
I can't barely sleep (4)_____ you in my arms

I know we got caught up slipping
Through a crowd of people and losers
But you must not let them take you
They don't know you like I do
For once there is nothing up my sleeve
Just some scars (5)_____ a life that used to trouble me
I (6)_____ to run at first sight of the sun
Now I lay here waiting for you to wake up
I lay here waiting for you to wake up
Do you remember when we stayed up
Till the sun strikes through the room?
I used to blame it
On the Queens walking down 7th (7)_____
It's been (8)_____ now since we moved
I've gotten through with an excuse
You know I try not to speak superlatives
But it's impossible to you
The city outside is nothing but a flicker now
You see (9)_____ friend at bed, you turn out the lights
I start to think you'll make a beautiful mother
I, I like to think
I've everything I want (10)_____ this life
