

Re Wired by Kasabian

Fill in the gaps

I feel like the time has come
A fearless rescue from everyone
Who made you the master?
The Lady Custer, I found you looking for a good time
I was out in exile perfecting my style
I knew you wanted a reaction
Hit me, harder, I'm (1)_____ re-wired
I flip the switch that (2)_____ you (3)_____ electric
(4)_____ faster than before
I'm (5)_____ light them up with you
I'm (6)_____ light them up with you
Try to keep up, you scatter brained
She will enter through your vein
Who was your creator?
The one who made you
The flame I need to heat the silver
You'd bring gods to their knees
(7)_____ out the bad seeds

Relieve the generals of their duties
Hit me, harder, I'm getting re-wired
I flip the switch that (8)_____ you feel electric
Even faster than before
I'm gonna light them up with you
I'm gonna light them up with you
Who made you the master?
The Lady Custer, I found you looking for a good time
Now this blood and glitter, it tastes so bitter
There's no retreat for I surrender
Hit me, harder, I'm getting re-wired
I flip the switch that make you feel electric
Even faster than before
I'm gonna light them up with you
I'm gonna light (9)_____ up (10)_____ you
