

Fill in the gaps

Cold Front by Laura Welsh

Don't want to think about it
Don't need a picture of it
I think we've (1)_____ enough
No resolution to it, constant confusion
The kind that tears you up
So could we alter the lies?
Could we (2)_____ the night?
The signs are screaming at us
The signs are screaming
Sad, but we (3)_____ break it
I don't want to leave you now
I don't want to leave you now
I can see you're faking
I don't want to leave you now
I don't want to leave you now
-I don't want to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-
Can we just talk about it?
Instead of skating from it
I think we've wandered enough
(4)_____ (5)_____ with everybody
The bitter sweet embrace
Kind (6)_____ fused too much
So could we alter the pace?
(7)_____ we open the race?
The signs are screaming at us

The (8)_____ are screaming
Sad, but we (9)_____ break it
I don't want to leave you now
I don't want to leave you now
I can see you're faking
I don't want to leave you now
I don't want to leave you now
-I don't want to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-
-I don't (10)_____ to leave you now-
You're afraid of falling over the line
You're afraid of falling over the line
You're afraid of falling over the line
You're afraid of falling over the line
Sad, but we will break it
I don't want to leave you now
I don't want to leave you now
I can see you're faking
I don't want to leave you now
I don't want to leave you now
-I don't want to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-

Answer

1. traveled
2. open
3. will
4. Cold
