The first time by Lemar

All the lights agree travelling super speed
Every road is clear
Heading to nowhere
But I feel, I feel so alive for the first time
Put (1)_____ hand to mine and let's blaze across the
sky
You'll see there are no way through another lips
Because it feels, (2)_____ feels like us for the first time
For the first time, first time, let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the (3)_____ time, first time let your light shine
And no longer feel the night
Brighter, brighter let your light shine
For the first time
No (4)_____ rules to break
It's your life to waste
Everything we need
All (5)_____ silver screen
And it feels, feels like (6)_____ mind for the first time

For the first time, first time let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the (7)_____ time, first time let your
(8)_____ shine
And no longer feel the night
Brighter, brighter let your light shine
Tonight, tonight we watch the world come to life, to life
Alive, alive watch the world (9)_____ to life
It will be alright
For the first time, first time let your light shine
Oh so brighter that still
(10)_____ higher let your light shine
See it all the other stars
For the first time, first time let your light shine
And no longer feel the night
Brighter, brighter let your light shine
For the first time, for the first time
