

Fill in the gaps

Little in the middle by Milow

You always wanted to be
Part of a circus company
For the fun and death defying
But in time you forgot
life is small in the big top
And your (1)_____ were slowly dying
What you (2)_____ was not a crime
You could've done it
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
Jugglers walk on the wire
Lions leap through (3)_____ of fire
As the acrobats go flying
But what's the show all about
When did (4)_____ north get turned to south
And the truth turn to lying
What you wanted
was not a crime
You could've done it
but you needed time
Now you're always just a little

A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from (5)_____ round
It keeps your (6)_____ from spinning...
But it's a hole you're digging
A hole you're digging
you're doing it despite
the so much more you're missing
(7)_____ you're missing
to your left and to your right
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head (8)_____ spinning round
And round, and round
It keeps your head (9)_____ spinning round...
