

Fill in the gaps

Think of you by MS MR

You got high off my devotion
We caught as you crutch
Black, some sick of potion
I was addicted to your touch
(1)_____ your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you (2)_____ wrong
I (3)_____ think of you
And all the sh*t you put me through
And I know now, I know you were wrong
You made pain your lover
Infidelity not discrete
I knew you found another
How could I compete?
Abusive (4)_____ cover me (5)_____ dust
I waited to know for sure
You only (6)_____ up as last
I still think of you
And all the sh*t you put me through

And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
Dark clouds follow you around
Your own worst enemy
You only picked me up to bring me down, down, down...
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
I still (7)_____ of you
And all the sh*t you put me through
And I know you were wrong
