

Fill in the gaps

Wonder by Natalie Merchant

Doctors have come from distant cities
Just to see me
Stand over my bed
Disbelieving what they're seeing
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
Newspapers ask intimate questions
(1)_____ confessions
They reach into my head to
Steal the glory of my story
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, (2)_____ smiled and
Destiny laughed as she came to my cradle
Know this child will be able
Laughed as my (3)_____ she lifted
Know this child will be gifted
With love, with patience, and (4)_____ faith

She'll make her way, she'll (5)_____ her way
People see me
I'm a challenge to your balance
I'm over your heads
How I confound you and astound you
To know I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate smiled and
Destiny laughed as she came to my cradle
Know this child will be able
(6)_____ as she came to my mother
Know this child will not suffer
Laughed as my body she lifted
(7)_____ (8)_____ child will be gifted
With love, with patience and (9)_____ faith
She'll make her way, she'll make her way
