

Fill in the gaps

Strip me by Natasha Bedingfield

Everyday I fight for all my future somethings
A thousand little (1)_____ I have to choose between
I could spend a lifetime earning things (2)_____ I don't
need
That's like chasing rainbows and coming home empty
And if you strip me, strip it all away
If you strip me, what would you find?
If you strip me, strip it all away
I'll be alright
Take what you want, (3)_____ my pride
Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one voice in a million
But you ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that
I don't need a microphone
To say (4)_____ I've been thinking
My heart is (5)_____ a (6)_____
That's (7)_____ on eleven
And if you strip me, strip it all away
If you strip me, what would you find?
If you strip me, strip it all away
I'm still the same
(8)_____ what you want, (9)_____ my pride
Build me up or cut me (10)_____ to size
Shut me out but I'll just (11)_____
I'm only one (12)_____ in a million

But you ain't taking (13)_____ from me
You ain't taking that from me
You ain't (14)_____ (15)_____ (16)_____
me
You ain't taking that from me
You ain't taking that
Because when it all boils down at the end of the day
It's what you do and say that makes you who you are
(17)_____ you (18)_____ about it, think about
it, doesn't it?
Sometimes all it takes is one voice
Take what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one voice in a (19)_____
But you ain't taking that from me
You ain't (20)_____ that from me
You ain't (21)_____ that (22)_____ me
You ain't taking that from me
You ain't (23)_____ that
Take what you want, steal my pride
Build me up or cut me down to size
(24)_____ me out but I'll (25)_____ scream
I'm only one (26)_____ in a million
But you ain't taking that (27)_____ me
You ain't taking (28)_____ from me
You ain't (29)_____ that from me
You ain't taking that from me
You ain't taking that

Fill in the gaps

Answer
