

Fill in the gaps

King of anything by Sara Bareilles

Keep drinking coffee

Stare me (1)_____ across the table

While I look outside

So many things I'd say if only I were able

But I just keep quiet

And count the cars that pass by

You've got opinions, man

We're all entitled to

But I never asked

So let me thank you for your time

And try not to waste anymore of mine

And get out of here fast

I hate to break it to you babe

But I'm not drowning

There's no one here to save

Who (2)_____ if you disagree?

You are not me

Who (3)_____ you king of anything?

So you dare tell me who to be?

Who died and made you (4)_____ of anything?

You sound so innocent, all full of good intent

Swear you know best

But you expect me to jump up on board with you

And ride off into your delusional sunset

I'm not the one who's lost, with no direction

But you'll never see

You're so busy making masks

With my name on them in all caps

You got the talking down

Just not the listening

And who cares if you disagree?

You are not me

Who made you king of anything?

So you dare tell me who to be?

Who (5)_____ and made you king of anything?

All my life I've tried to make everybody happy

While I just hurt and hide

Waiting for someone to tell me

It's my turn to decide

Who cares if you disagree?

You are not me

Who made you (6)_____ of anything?

So you dare tell me who to be?

Who died and made you king of anything?

Who (7)_____ if you disagree?

You are not me

Who (8)_____ you king of anything?

So you dare tell me who to be?

Who died and made you king of anything?

Let me hold your crown, babe
