### Fill in the gaps

### Safe & Sound (The hunger games) by Taylor Swift

I remember tears streaming down your face
(1) I said, I'll never let you go
When all those shadows almost killed (2) light
I remember you said
Don't (3) me (4) alone
But all that's dead and gone and passed tonight
Just close your eyes
The sun is going down
You'll be alright
No one can hurt you now
Come morning light
You and I'll be (5) and sound
Don't you dare look out your window
Don't you dare look out your window  (6) everything's on fire
(6) everything's on fire
(6) everything's on fire  The war (7) our door keeps raging on
(6) everything's on fire  The war (7) our door keeps raging on  Hold onto this lullaby
(6) everything's on fire  The war (7) our door keeps raging on  Hold onto this lullaby  Even when the music's gone, gone
(6) everything's on fire  The war (7) our door keeps raging on  Hold onto this lullaby  Even when the music's gone, gone  (8) close (9) eyes
