The Star Wars that I used to know by Teddie Films

Now and then I think of when I was in power
Like choking people with the Force until they died
But then you told them all my history
And took away my masculinity
And had my character portrayed by subpar actors
You are now addicted to an overuse of graphics
And making Greedo shoot first? Han shot first!
So when you tried to have the Force make sense
You introduced the midichlorians
And what's the deal with having me be dubbed over
But you didn't have to change it all
Make them like they (1)_____ happened
And the fans are nothing
I don't even need your love
But you treat me like a Bantha and that (2)_____ so
rough
No you didn't have to make (3)_____ blow
Have your friends direct your movies
And they'll turn out better
You (4)_____ that you don't need (5)_____
though

What happened to the Star (6)_____ that I used to know
Now and then I think of all the times
I screwed fans over
I had them believing that the first three films
Were really done

But Star Wars will be done my way
I don't care what (7)_____ have to say
I think that they should let it go
Or they'll never get the Blu-Ray
Of the Star (8)_____ that you used to know
You didn't have to change it all
No more puppets, no more practical effects or nothing
I don't even need your love
But you treat me like a (9)_____ and that feels so
cold
No you didn't have to sell your soul
Do we really need to watch them all again in 3D?
Jar Jar was an all time low
What happened to the Star Wars that I (10)_____ to
