Need your love by The Temper Trap

The road is pulling me into her open web
And for a moment I escape and I forget
The silhouettes behind the (1)_____ clouds call me
friend
But even fools know here
They're far and few between
She has abandoned me on highways and desert plains
Of lonely creatures singing for the summer rain
And at the end of all (2)_____ knees fall down to me
Yeah it's something in you always yearns for someone real
I need to love, I need your love,
I need you know, I need you
I need to love, I need (3)_____ love,
I need you know, I need you
She is my salvation in the dark
But at night (4)_____ lips of (5)_____ calls the
devil's wh*re
And I am a war of flesh and (6)_____ that's
(7)_____ undone
Between the person that I was and have become

I need to love, I need your love,
I need you know, I need you
I need to love, I need your love,
I (8)_____ you know, I need (9)_____ love
I need to love, I need your love,
I need you know, I need you
I need to love, I need your love,
I need you know
There is no resting in my heart
