

Fill in the gaps

Compromising me by William Beckett

(1) in the morning	I could give two sh*ts, just let me breathe
(2) stuck on the ground	I (13) care (14) you're saying
Gotta fix my cup of caffeine	about me
And I'm turning (3) around	No, I don't care
Climbing up the mountain	I don't care what you think about me
A piano on my back	No, I don't care
Gotta cut it loose	I can't let you be this constant
So (4) wearing the noose	(15) me
And forget about the past	-Comatose bones into silicone drones-
I know you're gonna say I'm not cool enough	(16) it behind me
Tell all your friends I screwed it up	(17) skin in my tracks
I could give two sh*ts, just let me breathe	The venom could've killed me
I (5) care what you're (6)	Sucked it up and spit it back
about me	When you finally close the window
No, I don't care	You (18) an open door
I don't care what you think about me	But it's up to you to walk right through
No, I (7) care	And forget (19) before
I can't let you be this constant	I know you're gonna say (20) not cool enough
Compromising me	Tell all (21) (22)
-Comatose (8) (9) silicone	screwed it up
drones-	I could give two shits, just let me breathe
	I (23) care what you're saying about me
(10) in the morning	No, I don't care
Feet stuck on the ground	I (24) care what you think about me
Gotta fix my cup of caffeine	No, I (25) care
And I'm turning things around	I can't let you be this constant
Climbing up the mountain	Compromising me
A (11) on my back	Comatose bones into silicone drones
Gotta cut it loose	Drown 'em and drown 'em and drown 'em into deep doubt
So I'm (12) the noose	Comatose bones (26) silicone clones
And forget about the past	Drown 'em and drown 'em and drown 'em into deep
I know you're gonna say I'm not cool enough	doubt
Tell all your friends I screwed it up
