I Love My Computer by Bad Religion

I love my computer

You make me feel alright

Every waking hour

And every lonely night

I love my computer

For all you (1)_____ to me:

Predictable errors and no identity

And it's never been quite so easy

I've (2)_____ (3)_____ quite so happy

All I need to do is click on you

And we'll be joined

In the most soul-less way

And we'll never ruin each other's day

'cuz when I'm through I (4)_____ click

And you just go away

I (5)_____ my computer

You're always in the mood

I love my computer

You never ask for more

You can be a princess

Or you can be my whore

And it's (6)_____ been quite so easy

I've never been quite so happy

The world (7)_____ is so big

But it's safe in my domain

Because to you

I'm just a number

And a clever screen name

All I need to do is click on you

And we'll be together for eternity

And no one is (8)_____ gonna (9)_____ my love

From me because I've got security

Her password and a key
