I Love My Computer by Bad Religion

I love my computer
You make me feel alright
Every waking hour
And every lonely night
I (1)_____ my computer
For all you (2)_____ to me:
Predictable errors and no identity
And it's never been quite so easy
I've never (3)_____ quite so happy
All I need to do is click on you

And we'll never ruin each other's day
'cuz when I'm through I (4)_____ click
And you just go away
I (5)_____ my computer
You're always in the mood
I get so turned on

When I turn on you
I love my computer
You never ask for more
You can be a princess
Or you can be my whore
And it's never been quite so easy
I've never been quite so happy
The world (6)_____ is so big
But it's (7)_____ in my domain
Because to you
I'm just a number
And a clever screen name
All I (8)_____ to do is click on you
And we'll be (9)_____ for eternity
