I Love My Computer by Bad Religion

I (1)_____ my computer
You make me feel alright
Every waking hour
And every lonely night
I love my computer
For all you give to me:
Predictable errors and no identity
And it's (2)_____ (3)_____ quite so easy
I've never been quite so happy
All I (4)_____ to do is (5)_____ on you
And we'll be joined
In the most soul-less way
And we'll never ruin each other's day
'cuz when I'm through I just click
And you just go away
I love my computer
You're always in the mood
I get so turned on

When I turn on you
I love my computer
You never ask for more
You can be a princess
Or you can be my whore
And it's never been quite so easy
I've never been quite so happy
The (6)_____ outside is so big
But it's (7)_____ in my domain
Because to you
I'm just a number
And a clever screen name
All I (8)_____ to do is (9)_____ on you
And we'll be together for eternity
And no one is (10)_____ gonna take my love
From me because I've got security
Her password and a key
