I Love My Computer by Bad Religion

I (1)_____ my computer

You make me feel alright

Every waking hour

And every (2)_____ night

I (3)_____ my computer

For all you (4)_____ to me:

Predictable errors and no identity

And it's never been quite so easy

I've never been quite so happy

All I need to do is click on you

And we'll be joined

In the most soul-less way

And we'll never ruin each other's day

'cuz when I'm through I just click

And you just go away

I love my computer

You're always in the mood

I get so (5)_____ on

When I turn on you

I love my computer

You never ask for more

You can be a princess

Or you can be my whore

And it's never been quite so easy

I've (6)_____ been quite so happy

The world outside is so big

But it's safe in my domain

Because to you

I'm just a number

And a clever (7)_____ name

All I need to do is click on you

And we'll be together for eternity

And no one is ever gonna (8)_____ my love

From me because I've got security

Her password and a key
