

Fill in the gaps

American Pie by Madonna

A long, long time ago
I can still remember
How that music used to make me smile
And I (1)_____ that if I had my chance
I could make those people dance
And maybe they'd be happy for a while
Did you write the book of love?
And do you have faith in God above
If the Bible tells you so?
Now do you (2)_____ in Rock 'n' roll
And can music (3)_____ your (4)_____ soul?
And can you teach me how to dance real slow?
Well, I know that you're in love with him
Cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues
I was a lonely teenagen' broncin' buck
With a pink carnation and a pick-up truck
But I knew that I was out of luck
The day the music died
I started singing
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
I met a (5)_____ who sang the blues
And I asked her for (6)_____ happy news
But she just smiled and turned away

When I went down to the (7)_____ store
Where I'd heard the music years before
But the man there said the music wouldn't play
Well now, in the streets the (8)_____ screamed
The lovers cried, and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I (9)_____ the most
The Father, Son and the Holy Ghost
They caught the last train for the coast
The day the music died
We (10)_____ singing
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
Bye, bye, Miss American Pie
Drove my Chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singing this'll be the day that I die
This'll be the day that I die
We started singing
We started singing
We started singing
We started singing

Answer

1. knew
2. believe
3. save
4. mortal
5. girl
6. some
7. sacred
8. children
9. admire
10. started
