

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't (1)_____ (2)_____ they used
to before
And I can't sweep you off of your feet
Will (3)_____ mouth (4)_____ remember the
taste of my love?
Will your (5)_____ still smile from (6)_____ cheeks?
Darling I will be loving you till we're seventy
And (7)_____ my heart could (8)_____ feel as
hard at twenty three
And I'm thinking about how
People fall in (9)_____ in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every single day
And I just want to (10)_____ you I am
So honey now
Take me into (11)_____ loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right (12)_____ we are
When my (13)_____ all but (14)_____
And my (15)_____ fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same
Because (16)_____ your soul could (17)_____
grow old

It's evergreen
And baby your smile is (18)_____
In my mind and memory
I'm thinking (19)_____ how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into your loving arms
Kiss me under the light of a (20)_____ stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me (21)_____ your loving arms
Kiss me under the light of a thousand stars
Oh darling, place your head on my (22)_____
heart
I'm thinking out loud
Baby we found (23)_____ right where we are
Baby we found love right where we are
And we found love (24)_____ (25)_____ we
are

Fill in the gaps
