

## Fill in the gaps

From walking home and (1) loads	And I'll be me
To (2) shows in evening clothes (3)	Everything that's broke
you	Leave it to the breeze
From nervous touch and getting drunk	Why don't you be you
To staying up and waking up (4) you	And I'll be me
But now we're (5) at the edge	And I'll be me
Holding (6) we don't need	Trying to fit your hand inside of mine
All this delusion in our heads	When we know it (17) don't belong
Is (7) bring us to our knees	There's no force on earth
So come on let it go	Could (18) me feel right, no
Just let it be	Whoa
Why don't you be you	Trying to push (19) problem up the hill
And I'll be me	When it's (20) too heavy to hold
Everything that's broke	Think now's the (21) to let it slide
Leave it to the breeze	So come on let it go
Why don't you be you	Just let it be
And I'll be me	Why don't you be you
And I'll be me	And I'll be me
From throwing clothes (8) the floor	Everything that's broke
To teeth and (9) and (10)	Leave it to the breeze
doors at you	Let the (22) fall
If this is all we're (11) for	Forget about me
Why are we doing it, doing it, doing it anymore	Come on let it go
I (12) to (13) myself	Just let it be
It's funny how (14) change	Why don't you be you
When we're (15) something else	And I'll be me
I think it's (16) to walk away	And I'll be me
So come on let it go	
Just let it be	
Why don't you be you
