## Forgive Me by Evanescence

## Fill in the gaps

Can you forgive me again
I don't know what I said
But I didn't mean to (1) you
I (2) the words come out
I felt that I would die
It (3) so much to hurt you
Then you look at me
You're not shouting anymore
You're (4) broken
I'd give anything now
To hear those words (5) you
Each time I say something I regret
I cry, I don't want to lose you
But (6) I know that you will never leave me
But (6) I know that you will never leave me
But (6) I know that you will never leave me  Cause you were (7) for me
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see  How happy you make me
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see  How happy you make me  I can't live (8) life
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see  How happy you make me  I can't live (8) life  Without you by my side
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see  How happy you make me  I can't live (8) life  Without you by my side  I need you to survive
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see  How happy you make me  I can't live (8) life  Without you by my side  I need you to survive  So stay with me
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see  How happy you make me  I can't live (8) life  Without you by my side  I need you to survive  So stay with me  You look in my eyes and I'm screaming inside
But (6) I know that you will never leave me  Cause you were (7) for me  Somehow I'll make you see  How happy you make me  I can't live (8) life  Without you by my side  I need you to survive  So stay with me  You look in my eyes and I'm screaming inside  That I'm sorry

## 1. hurt

- 2. heard
- 3. hurt
- 4. silently
- 5. from
- 6. somehow
- 7. made
- 8. this
