It's The Only One You've Got by Three Doors Down

how do you know (1)_____ you're going

when you don't know where you've been

You hide the shame that you're not showing

and you won't let anyone in

A crowded street can be a quiet place

when you're walking alone

So now you think that you're the only one

who doesn't have to try

and you won't have to fail

You're so afraid to fly

then I guess you never will

You hide behind your walls

cause maybe he never hurts

Forgetting that there's something more

than (2)_____ knowing better

Your mistakes do not define you now

They tell you who you're not

You've got to live this life you're given

like it's the only one you've got

The memories have left you broken

and the scars have never healed

The emptiness in you is growing

with so little left to feel

You're scared to look back on the (3)_____ before

You're too tired to move on

And now you think that you're the only one

who doesn't have to try

and you won't have to fail

You're so afraid to fly

and I guess you (4)_____ will

You hide behind (5)_____ walls

cause maybe he never hurts

Forgetting that there's something more

than just knowing better

Your mistakes do not define you now

They tell you who you're not

You've got to live this (6)_____ you're given

like it's the only one you've got

What would it take

to get you to say that I'll try

And what would you say if this

was the last day of your life

You hide behind (7)_____ walls

cause maybe he never hurts

Forgetting that there's something more

than just knowing better

Your mistakes do not define you now

They tell you who you're not

You've got to (8)_____ this life you're given

like it's the only one you've got
