It's The Only One You've Got by Three Doors Down

how do you (1) where you're going	You hide behind (16) walls
when you don't know (2) you've been	cause (17) he never hurts
You hide the shame (3) you're not showing	Forgetting that there's something more
and you won't let anyone in	than just knowing better
A crowded street can be a (4) place	Your mistakes do not define you now
when you're walking alone	They tell you who you're not
So now you (5) that you're the only one	You've got to live this (18) you're given
who doesn't have to try	like it's the only one you've got
and you won't have to fail	What (19) it take
You're so (6) to fly	to get you to say (20) I'll try
then I guess you never will	And what would you say if this
You hide behind your walls	was the last day of your life
cause (7) he never hurts	You hide (21) your walls
Forgetting (8) there's something more	cause maybe he never hurts
than just knowing better	Forgetting that there's something more
Your mistakes do not define you now	than just (22) better
They tell you who you're not	Your mistakes do not define you now
You've got to live this life you're given	They tell you who you're not
like it's the (9) one you've got	You've got to live this (23) you're given
The memories have left you broken	like it's the only one you've got
and the (10) have never healed	You hide behind your walls
The emptiness in you is growing	cause (24) he (25) hur
with so little left to feel	Forgetting that there's so much more
You're scared to (11) back on the (12)	than (26) knowing better
before	Your mistakes do not define you now
You're too tired to move on	They tell you who you're not
And now you (13) that you're the only one	You've got to live this life you're given
who doesn't (14) to try	like it's the only one you've got
and you won't have to fail	
You're so (15) to fly	
and I guess you never will
