### Champagne Supernova by Oasis

How many special people change?  
How many (1)\_\_\_\_\_ are living strange?  
Where were you while we were (2)\_\_\_\_\_ high?  
Slowly walking down the hall, faster than a cannonball.  
Where were you while we were getting high?  
Someday you will find me caught beneath the landslide,  
In a champagne supernova in the sky.

Someday you will find me caught beneath the landslide, in a

A champagne supernova.  
'Cause people believe that they're gonna get away for the  
summer.

But you and I, we live and die, the world's still spinning  
around, we don't know why.  
Why, why, why, why?
