Slow It Down by Amy Macdonald

I never knew you before,
I've been walking around with my eyes on the floor
And know you're everywhere to me
You're every face that I see, things ain't moving quick enough
for me
I guess I've been
Running 'round town
and leaving my tracks,
Burning out rubber
driving too fast
But I, I've gotta slow it (1)_____ down
Back to the (2)_____ the very start,
from the very first day you had my heart
but I got to (3)_____ right down...
Slow it down.
[Down down down]
[down down down down...]
Wishing, wanting for something more
Always better than I had before
Who knew these dreams would come true
And I run the red, won't (4)_____ at night
I don't (5)_____ for traffic lights
Things ain't (6)_____ quick enough for me
I guess I've been
Running round town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,

from the (7)_____ first day you had my heart
but I got to slow right down
Slow it down.
[Down down down]

I guess I've been
Running round town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down...
Slow it down.
