| Tonight I'm gonna have myself a real good time   |                  |                   | Like an atom bomb about to   |      |
|--|------------------|-------------------|------------------------------|------|
| I feel alive                                     |                  |                   | Oh, oh, oh, oh, explode      |      |
| And the world turning inside out, yeah           |                  |                   | I'm burning through the      | sky, |
| And floating around in ecstasy, so               |                  |                   | Two hundred degrees          |      |
| Don't stop me now                                |                  |                   | That's why they call me Mist |      |
| Don't stop me                                    |                  |                   | I'm traveling at the (6)     |      |
| 'Cuz I'm (1)                                     | a good time, hav | ring a good time  | I wanna make a (7)           |      |
| I'm a shooting star leaping through the sky      |                  |                   | Don't stop me, don't stop me |      |
| Like a tiger defying the laws of gravity         |                  |                   | Don't stop me, hey hey hey!  |      |
| I'm a racing car passing by like Lady Godiva     |                  |                   | Don't stop me, don't stop me |      |
| I'm (2) go, go, go                               |                  |                   | Oh, ooh, ooh, (I like it)    |      |
| There's no stopping me                           |                  |                   | Don't stop me, don't stop    | o me |
| I'm burning through the sky, yeah                |                  |                   | Have a good time, good time  |      |
| Two hundred degrees                              |                  |                   | Don't stop me, don't stop me |      |
| That's why they (3) me Mister Fahrenheit         |                  |                   | I'm burning through the sky, |      |
| I'm a traveling at the speed of light            |                  |                   | Two hundred degrees          |      |
| I wanna make a supersonic man out of you         |                  |                   | That's why they call me (8)_ |      |
| (Don't stop me now) I'm (4)                      |                  | such a good time, | I'm traveling at the speed   | d of |
| I'm having a ball                                |                  |                   | I (9) make                   | a sı |
| (Don't (5) me now) if you wanna have a good time |                  |                   | (Don't stop me now)          | l'm  |
| just give me a call                              |                  |                   | (10) a ba                    | all  |
| (Don't stop me now) 'Cuz I'm havin' a good time  |                  |                   | (Don't stop me now) if y     | ou v |
| (Don't stop me now) Yes, I'm havin' a good time  |                  |                   | me a call                    |      |
