Everything that you (3)_____ that you knew
(4)_____ love is gone

And all my scars don't seem to matter anymore
Cause they led me here to you
I know that its gonna take sometime
I've got to admit that the (5)_____ has crossed
my mind
This might end up like it should
And I'm gonna say what I need to say
And hope to god that it don't scare you away
Don't wanna be misunderstood
But I'm starting to believe that (6)_____ could be the start
of something good
Everyone knows life has its Ups and downs
One day you're on top of the world and one day you're the
clown
Well I've been both enough to know
That you don't wanna get in the way when its working out
The way that it is right now
You see my heart i wear it on my sleeve
Cause I just can't hide it anymore

I know that it's gonna take sometime
I've got to admit that the thought has crossed my mind
This (7)_____ end up like it should
And I'm gonna say what I (8)_____ to say
And hope to god that it don't scare you away
Don't (9)_____ be misunderstood
But I'm (10)_____ to believe that this could be
the start
Cause I don't know where it's going
There's a part of me that loves not knowing
Just don't let it end before we begin
You never know when you gonna meet someone
And your whole wide world in a moment comes undone
I know that its gonna take sometime
I've got to admit that the thought has crossed my mind
This might end up like it should
And I'm gonna say what I need to say
And hope to god that it don't scare you away
Don't wanna be misunderstood
But I'm starting to believe that this could be the start of
something good
