Simply The Best by Tina Turner

Fill in the gaps

I call you when I need you, my heart's on fire
You (1) to me, come to me wild and wild
When you (2) to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
And it can't be wrong
Take my heart and make it strong baby
You're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be (3)
In your (4) I see the star of every night and every day
In your (4) I see the star of every night and every day In your eyes I get lost, I get (5) away
In your eyes I get lost, I get (5) away
In your eyes I get lost, I get (5) away Just as long as I'm here in your arms
In your eyes I get lost, I get (5) away Just as long as I'm here in your arms
In your eyes I get lost, I get (5) away Just as long as I'm here in your arms I could be in no better place
In your eyes I get lost, I get (5) away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest
In your eyes I get lost, I get (5) away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met
In your eyes I get lost, I get (5) away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on (6) heart, and hang on every word you say
In your eyes I get lost, I get (5) away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on (6) heart, and hang on every word you say

In your eyes I get lost, I get (5) away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on (6) heart, and hang on every word you say Tear us apart, baby I would (7) be dead Each time you leave me I (8) losing control
