

White Flag by Dido

Fill in the gaps

I know you think that I shouldn't still love you

I tell you that

But if I didn't say it

Well, I'd still have felt it

Where's the sense in that?

I (1)_____ I'm not trying to make (2)_____
life harder

Or return to where we were

Well I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I know I left too much mess

And destruction to come back again

That I cause nothing but trouble

I understand if you can't talk to me again

And if you live by the rules of "It's over"

Then I'm sure that that makes sense

Well I (3)_____ go down with this ship

And I won't put my (4)_____ up and surrender

There will be no white flag above my door

I'm in love and always (5)_____ be

And (6)_____ we meet

Which I'm sure we will

all that was there

Will be there still

I'll let it pass

And hold my tongue

And you will think

That I've (7)_____ on

Well I will go down with this ship

And I won't put my hands up and surrender

There (8)_____ be no white flag above my door

I'm in love and always will be

Well I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There (9)_____ be no white flag (10)_____ my
door

I'm in love and always will be
