

## Fill in the gaps

| I remember when, I remember                      |
|--|
| I (1) when I lost my mind                        |
| There was something so pleasant about that place |
| Even (2) emotions (3) an echo                    |
| In so much space                                 |
| And when you're out there without care           |
| Yeah, I was out of touch                         |
| But it wasn't because I didn't know enough       |
| I (4) knew too much                              |
| Does that make me crazy?                         |
| Does that make me crazy?                         |
| Does that make me crazy?                         |
| Possibly   |
| And I (5) that you are                           |
| Having the time of your life                     |
| But think twice                                  |
| That's my only advice                            |
| Come on now, who do you                          |
| Who do you, who do you think you are?            |
| Ha ha ha, bless your soul                        |
| You really think you're in control?              |
| Well, I think you're crazy                       |
| I think you're crazy                             |
| I think you're crazy                             |

| Just like me                       |
|------------------------------------|
| My heroes had the heart            |
| To lose their lives out on a limb  |
| And all I remember                 |
| Is thinking, I (6) to be like them |
| Ever since I was little            |
| Ever since I was little            |
| It (7) like fun                    |
| And it's no coincidence I've come  |
| And I can die when I'm done        |
| But maybe I'm crazy                |
| Maybe you're crazy                 |
| Maybe we're crazy                  |
| Probably                           |
