

Fill in the gaps

Candles by Daughter

That boy, (1)_____ me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a (2)_____ card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he (3)_____ to me so I stay
the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn from the times we are
cursed
Things cannot be reversed, (4)_____ from the ones
we fear the worst
And learn from the (5)_____ we (6)_____ the most
how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be your lover
I only bring the heat
Company under cover
Filling space in (7)_____ sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in (8)_____ sheets
So, (9)_____ just blow out all the candles, blow out
all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young heart (10)_____ my mind,
but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Answer

1. take
2. birthday
3. says
4. learn
5. ones
6. hate
7. your
8. your
9. please
10. confusing
