

Fill in the gaps

I Found You by The Wanted

She wants me to come over
I can tell her eyes don't lie
She's calling me in the dark
She moves us (1)_____ the room where the lights
turn like the sky
Confidence like a (2)_____ star
I wanna put my hands on her hands
Feel the heat from her skin
Get reckless in the starlight
I'm moving to the beat of her heart
I was so lost until tonight, tonight
I found you, in the darkest hour
I found you, in a pouring rain
I found you, when I was on my knees
And your love pulled me back again
Found you in a river of pure emotions
I found you, my only truth
I found you, (3)_____ the music playing
I was lost til I found you, you, you
Til I found you, you, you
The night is getting colder
And I can't come off this high
I don't want this here to end
I know she feels the same
Cause I can see it in her eyes
She says can we start again
I wanna put my hands on her hands
Feel the heat from her skin
Get reckless in the starlight
She's moving to the beat of my heart
We (4)_____ so (5)_____ (6)_____ tonight,
tonight

I found you, in the darkest hour
I found you, in a pouring rain
I (7)_____ you, when I was all in need
And (8)_____ love pulled me back again
Found you in a river of pure emotions
I found you, my only truth
I (9)_____ you, with the music playing
I was lost til I found you, you, you
Til I found you, you, you
I said, people
We're all looking for love tonight
But sometimes we can't see it
We're blinded by light
And we all get low, all get low
Searching for that piece of mind
Just when I've given up
Looking for some kind inside
That's when I found you, you, you
I found you, you, you
I found you, you, you
I found you, you, you
I found you, in the darkest hour
I found you, in a pouring rain
I found you, when I was all in need
And your love pulled me back again
Found you in a river of pure emotions
I found you, my only truth
I found you, with the music playing
I was lost til I found you

Answer

1. around
2. rock
