I remember years ago
Someone told me I should take
Caution when it (1) to love
I did
And you were (2) and I was not
My illusion, my mistake
I was careless, I forgot
I did
And now when all is done
There is nothing to say
You have gone and so effortlessly
You have won
You can go (3) tell them
Tell them all I know now
Shout it from the roof tops
Write it on the sky line
All we had is gone now
Tell (4) I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible
Impossible, impossible
Falling out of love is hard
Falling for betrayal is worst
Broken trust and broken hearts
I know, I know
Thinking all you need is there
Building faith on love and words
Empty promises will wear
I know, I know
I KIIOW, I KIIOW
And now when all is gone
·

On your own you can go ahead tell them
