Stowwith ma (1) stowwith ma
Stay with me, (1) stay with me
Tonight don't leave me alone
Walk with me, come and walk with me
To the edge of all we've ever known
I can see you there with the (2) lights
Fourteenth floor, pale (3) eyes
I can breathe you in
Two shadows standing by the (4) door
No, I could not want you more than I did right then
As our heads leaned in
Well, I'm not sure what (5) is gonna be
But with my eyes closed all I see
Is the skyline, through the window
The moon above you and the streets below
Hold my (6) as you're moving in
Taste your lips and feel your skin
When the time comes
Baby don't run, (7) kiss me slowly
Stay with me, baby stay with me
Tonight don't leave me alone
She shows me everything she used to know
Picture frames and country roads
When the days were long and the world was small
She stood by as it fell apart
Separate rooms and broken hearts
But I won't be the one to let you go
(Oh oh)
I'm not sure what this is (8) be
But with my eyes closed all I see
Is the skyline, through the window
The moon (9) you and the streets below
