Somewhere In Neverland by All Time Low

Say goodbye to the halls and the classes
Say hello to a the job and the taxes
The weekends with old friends
Spilling into 9 to 5 routine
Tell me how you feel over and done with
Like your life is a map with no compass to guide
At the bar drinking way too much
We sing along to forever young
So here we go again (again)
Wish that we could start again
Wendy run (1)_____ with me
I know I sound crazy
Don't you see what you do to me?
I wanna be a lost boy
The last chance a better reality
(Yeaah)
Wendy we can get away
I promise if you're with me say
The word and we'll find a way
And I can be a lost boy
The last chance your everything better plan
(Oh) Somewhere in Neverland
Somewhere in Neverland
Well start a life of the plain and the simple
Of great times (2)_____ far (3)_____ people
And weekends with our friends
Laughing about the (4)_____ that stains their teeth
We'll talk about how your parents separated and
How you don't wanna make the same (5)_____

And trying to feel forever young
