Love Remains The Same by Gavin Rossdale

A (1)_____ times I've seen you standing
Gravity like a lunar landing
Make me want to run till I find you
I shut the world (2)_____ from here
Drift to you, you're all I hear
Everything we know fades to black
Half the time the (3)_____ is ending
Truth is I am done pretending
I never thought that I
Had anymore to give
Pushing me so far
Here I am without you
Drink
To all that we (4)_____ lost
Mistakes we have made
Everything will change
But love remains the same
Find the place where we escape
Take you with me for a space
The (5)_____ buzz, sounds just like a fridge
I walk the streets through seven bars
I had to find just where you are
The faces seems to blur, they're all the same
Half the time the world is ending
Truth is I am done pretending
I never thought that I
Had anymore to give
Pushing me so far
Here I am without you
Drink
To all that we have lost
Mistakes we have made
Everything will change
But love remains the same

So much (6)_____ to say
So much to be done
Don't you trick me out
We shall overcome
So all have stayed in place
We should have had the sun
Could (7)_____ been inside
Instead we're over here
Half the time the world is ending
Truth is I am done pretending
Too (8)_____ time, too long defending
You and I are done pretending
I never thought that I
Had anymore to give
Pushing me so far
Here I am without you
Drink
To all that we have lost
Mistakes we have made
Everything will change
Everything will change
I
(Oh oh) I
I wish
This could (9)_____ forever
I
(Oh oh) I
I as if
We (10)_____ last forever
Love remains the same
