

Fill in the gaps

Over My Head (Cable Car) by The Fray

I never knew
I never knew that everything was falling through
That everyone I knew was waiting on a queue
To turn and run when all I needed was the truth
But that's how it's gotta be
It's coming down to nothing more (1)_____ apathy
I'd rather run the other way than stay and see
The smoke and who's still standing when it clears and
Everyone knows I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
Let's rearrange
I wish you were a stranger I (2)_____ disengage
Just say that we (3)_____ and then never change
Soften a bit until we all just get along
That's disregard
Find another friend and you discard
As you lose the argument in the cable car
Hanging above as the (4)_____ comes between
and
Everyone (5)_____ I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
Everyone (6)_____ I'm in

Over my head, over my head
With (7)_____ seconds left in overtime
She's on your mind, she's on... (oh)
Suddenly, I become a (8)_____ of your past
I'm becoming the part that don't last
I'm losing you and it's effortless
Without a sound
We lose sight of the ground in the throw around
Never thought that you wanted to bring it down
I won't let it go (9)_____ 'till we torch it ourselves and
Everyone knows I'm in over my head
Over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
Everyone knows
That she's on your mind
Everyone knows I'm in (10)_____ my head
I'm in over my head, I'm over my...
Everyone knows I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind

Answer

1. than
2. could
3. agree
4. canyon
5. knows
6. knows
7. eight
