Do I Wanna Know by Arctic Monkeys

Have you got colour in your cheeks		Of trying to (19) you
Do you ever get that fear that you can't		But I don't know if you
Shift the (1) that	(2) around like	Feel the same as I do
(Summat) in your teeth		But we could be together
Are there some aces up (3) sleeve		If you wanted to
Have you no idea that you're in deep		(Do I wanna know)
I dreamt about you nearly		If (20) feeling flows both ways
Every night this week		(Sad to see you go)
How many secrets can you keep		Was sort of hoping that you'd stay
Cause there's (4) (5) I've found		(Baby, we both know)
That makes me think of you somehow		That the nights were mainly made
And I play it on repeat		For (21) things that you can't say tomorrow
Until I fall asleep		day
Spilling (6)	on my settee	Crawling (22) to you (crawling (23) to
(Do I wanna know)		you)
If this (7)	(8) both ways	Ever thought of calling when
Sad to see you go)		You've had a few (you've had a few)
Sort of hoping that you'd stay		'Cause I always do ('cause I always do)
(Baby, we both know)		Maybe I'm too (maybe I'm too busy)
That the nights were mainly made		Busy (24) (25) to fall for somebody
For saying things that you can't say tomorrow day		new
Crawling (9) to you		Now I've thought it through
Ever thought of (10) when		Crawling back to you (do I wanna know)
You've had a few		If this feeling (26) both ways
Cause I (11) do		(Sad to see you go)
Maybe I'm too		Was sort of hoping that you'd stay
Busy (12) (1	3) to (14)	(Baby, we both know)
for somebody new		That the nights were (27) made
Now I've (15) it through		For saying things that you can't say tomorrow day
Crawling (16) to you		(Do I (28) know)
So have you got the guts		Too (29) being yours to fall
Been wondering if your heart's still open		(Sad to see you go)
And if so I wanna know what time it shuts		Ever thought of calling, darling
Simmer down and pucker up		(Do I wanna know)
I'm sorry to interrupt		Do you want me crawling back to you
It's (17) I'm (18	8) on the
