Rolling In The Deep (Cover) by VÃ¡zquez Sounds & Adele

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark
Finally, I can see you crystal clear
Go (1)_____ and sell me out and I'll lay your ship bare
See how I'll leave every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bring me out the dark
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of (2)_____ love, they leave me breathless
I can't help feeling
We could have had it all...
Rolling in the deep...
You had my heart inside your hand
But you played it with the beat
Baby, I have no story to be told
But I've heard one on you
And I'm gonna (3)_____ your head burn
Think of me in the depths of your despair
Make a home down there as mine sure won't be shared
The scars of your love remind me of us
They (4)_____ me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling
We could have had it all...
Rolling in the deep...

You had my heart inside your hand
But you played it with the beat
We could have had it all...
Rolling in the deep...
You had my heart inside your hand
But you played it with a beating
Throw your soul through every (5)_____ door
Count your blessings to (6)_____ what your look for
Turn my sorrow into treasured gold
You'll pay me back in kind
And reap just what you've sown
We could have had it all...
We (7)_____ have had it all...
It all, it all, it all
We could have had it all...
Rolling in the deep...
You had my heart inside your hand
But you played it with the beat
We could have had it all...
Rolling in the deep...
You had my heart (8)_____ your hand
But you played it
