

The cracks in our foundation

Fill in the gaps

Thursday night, everything's fine		And I (14) that I should let go, but I can't	
Except you've got that look in your eye		And (15) time we fight I know it's not right	
When I'm (1)	a story, and you find it boring	Every time that you're upset and I smile	
You're thinking of something to say		I (16) I should forget, but I can't	
You'll go along with it, (2)	drop it	Your face is pastey	
And humiliate me in front of our friends		'Cause you've gone and got so wasted	
Then I'll use that voice that you find annoying		What a surprise	
And say something like,		Don't want to (17) at your face, 'cause it's making	
"Yeah, intelligent input, darling.		me sick	
Why don't you (3) have (4) beer		You've gone and got (18) on my trainers	
then?"		I only got these yesterday	
Then you'll call me a bitch		Oh my gosh, I (19) be bothered with t	this
And everyone we're (5) will be embarrassed		Well, I'll (20) you there 'till the morning	
And I won't give a shit		And I purposely won't turn the heating on	
My fingertips are holding onto		And dear God, I hope I'm not stuck (21) this one	
The cracks in our foundation		My fingertips are holding onto	
And I know that I should let go, but I can't		The cracks in our foundation	
And every (6) we fight I (7) it's not right		And I know (22) I (23) let	go, but I
Every (8) that you're upset and I smile		can't	
I know I should forget, but I can't		And every time we fight I know it's not right	
You (9) I (10)_	eat so (11)	Every time that you're (24) and I smile	
lemons		I know I should forget, but I can't	
'Cause I am so bitter		And every time we fight I know it's not right	
I said, "I'd rather be with your friends, mate,		Every time that you're upset and I smile	
'Cause they are much fitter."		I know I should forget, but I can't	
Yes, it was childish		And every time we fight I (25) it's not right	
And you got aggressive		Every (26) (27) you're upset an	ıd I smile
And I must admit that I was a bit scared		I know I should forget, but I can't	
But it gives me thrills to wind	you up		
My (12)	are (13)		
onto
