

The cracks in our foundation

## Fill in the gaps

Thursday night, everything's fine	And I know that I should let go, but I can't
Except you've got (1) look in your eye	And every time we fight I know it's not right
When I'm telling a story, and you find it boring	Every time that you're upset and I smile
You're thinking of something to say	I know I should forget, but I can't
You'll go along with it, then drop it	Your (7) is pastey
And humiliate me in front of our friends	'Cause you've gone and got so wasted
Then I'll use that (2) that you (3)	What a surprise
annoying	Don't want to look at your face, 'cause it's making me sick
And say something like,	You've gone and got sick on my trainers
"Yeah, intelligent input, darling.	I only got these yesterday
Why don't you just have another beer then?"	Oh my gosh, I cannot be bothered with this
Then you'll call me a bitch	Well, I'll leave you there 'till the morning
And everyone we're with (4) be embarrassed	And I purposely won't turn the heating on
And I won't give a shit	And dear God, I (8) I'm not stuck (9)
My fingertips are holding onto	(10) one
The cracks in our foundation	My fingertips are holding onto
And I know that I (5) let go, but I can't	The cracks in our foundation
And every time we fight I know it's not right	And I know that I should let go, but I can't
Every (6) that you're upset and I smile	And every time we fight I know it's not right
I know I should forget, but I can't	Every time that you're upset and I smile
You said I must eat so many lemons	I know I should forget, but I can't
'Cause I am so bitter	And every time we fight I know it's not right
I said, "I'd rather be with your friends, mate,	Every time that you're upset and I smile
'Cause they are much fitter."	I know I should forget, but I can't
Yes, it was childish	And every time we fight I know it's not right
And you got aggressive	Every time that you're upset and I smile
And I must admit that I was a bit scared	I know I should forget, but I can't
But it gives me thrills to wind you up	
My fingertips are holding onto
