

...

I didn't hear what you were saying I live on raw emotion baby I answer questions never maybe And I'm not kind if you betray me So who the hell are you to say we Never would have made it babe If you needed love Well then ask for love Could have given love Now I'm taking love And it's not my fault Cause you both deserve What is coming now So don't say a word Wake up call Caught you in the morning with another one in my bed Don't you care about me anymore? Don't you care about me? I don't think so Six foot tall Came without a warning so I had to shoot him dead He won't come around here anymore Come around here? I don't think so Would have bled to make you happy You didn't need to (1)\_\_\_\_\_ me that way And now you beat me at my own game And now I find you sleeping soundly And your (2)\_\_\_\_\_ screaming loudly Hear a sound and hit the ground If you needed love Well then ask for love Could have given love Now I'm taking love And it's not my fault Cause you both deserve What's coming now So don't say a word
