

The sins of our young

## Fill in the gaps

| God bless us everyone                             | No!                               |
|---|-----------------------------------|
| We're a broken people living under (1) gun        | And when I close my eyes tonight  |
| And it can't be outfought                         | To (15) of blinding light         |
| It can't be outdone                               | God (16) us everyone              |
| It can't outmatched                               | Will we (17) inside the (18) of a |
| It can't be outrun, no!                           | (19) suns?                        |
| God bless us everyone                             | Oh!                               |
| We're a (2) people living under loaded gun        | Like memories in cold decay       |
| And it can't be outfought                         | Transmissions echoing away        |
| It can't be outdone                               | Far (20) the world of you and I   |
| It can't outmatched                               | Where oceans bleed into the sky   |
| It can't be outrun                                | Like memories in (21) decay       |
| No!   | Transmissions echoing away        |
| And when I (3) my eyes tonight                    | Far from the world of you and I   |
| To symphonies of blinding light                   | Where oceans bleed (22) the sky   |
| God bless us everyone                             | Lift me up                        |
| We're a broken (4) living under loaded gun        | Let me go                         |
| Oh!   | Lift me up                        |
| Like memories in cold decay                       | Let me go                         |
| Transmissions (5) away                            | Lift me up                        |
| Far from the world of you and I                   | Let me go                         |
| Where (6) bleed (7) the sky                       | Lift me up                        |
| God save us everyone                              | Let me go                         |
| Will we (8) inside the fires of a                 | Lift me up                        |
| (9) suns?   | Let me go                         |
| For the (10) of our hand                          | Lift me up                        |
| The sins of our tongue                            |                                   |
| The (11) of our father                            | God (23) us everyone              |
| The sins of our young                             | We're a broken people living (24) |
| No!   | (25) gun                          |
| God save us everyone                              | And it can't be outfought         |
| Will we (12) inside the fires of a thousand suns? | It can't be outdone               |
| For the (13) of our hand                          | It can't outmatched               |
| The (14) of our tongue                            | It can't be outrun                |
| The sins of our father                            |                                   |
