

## Fill in the gaps

| From underneath the trees, we watch the sky |                    |                    | If everyone cared |
|---|--------------------|--------------------|-------------------|
| Confusing stars for satellites              |                    |                    | If (10)           |
| I never (1)                                 | that you'd         | be mine            | lied              |
| But here we are, we're here tonight         |                    |                    | If everyone       |
| Singing, "Amen I, I'm alive"                |                    |                    | (13)              |
| (I'm alive)                                 |                    |                    | Then we'd see th  |
| Singing, "Amen I, I'm alive"                |                    |                    | When nobody die   |
| If (2) cared and nobody cried               |                    | And as we lie be   |                   |
| If everyone loved and nobody lied           |                    |                    | We realize how    |
| If (3) shared and swallowed their pride     |                    | If they could love |                   |
| Then we'd see the day when (4) died         |                    | Imagine what the   |                   |
| And I'm singing                             |                    |                    | If (15)           |
| Amen I, Amen I, I'm alive                   | )                  |                    | If everyone loved |
| Amen I, Amen I, Amen I                      |                    |                    | If everyone       |
| (I'm alive)                                 |                    |                    | (18)              |
| And in the air the fireflies                | i                  |                    | Then we'd see th  |
| Our only light in paradise                  | )                  |                    | If everyone (21)  |
| We'll show the world the                    | y were wrong       |                    | If everyone loved |
| And (5) the                                 | em all to sing ald | ong                | If everyone (23)  |
| Singing, "Amen I, I'm aliv                  | e"                 |                    | Then we'd see th  |
| (I'm alive)                                 |                    |                    | We'd see the day  |
| Singing, "Amen I, I'm aliv                  | ve"                |                    | (When nobody d    |
| If everyone cared and no                    | body cried         |                    | We'd see the day  |
| If everyone loved and no                    | body lied          |                    | (When nobody d    |
| If (6)                                      | _ (7)              | and swallowed      | We'd see the day  |
| (8) pride                                   |                    |                    | (When nobody d    |
| Then we'd see the day (                     | 9) nc              | body died          |                   |

| If everyone cared and nobody cried            |   |   |   |  |  |
|---|---|---|---|--|--|
