Your Ex-lover Is Dead by Stars

Fill in the gaps

When there is (1) left to burn
You have to set (2) on fire
God that was strange to see you again
Introduced by a friend of a friend
Smiled and said "Yes I think we've met before"
In that instant it started to pour
Captured a taxi despite all the rain
We drove in silence across (3) Champlain
And all of that time you thought I was sad
I was trying to remember your name
This scar is a freckle on my porcelain skin
You (4) to reach deep but you couldn't get in
And now you're outside me you see all the beauty
Repent all your sin
Repent all your sin It's (5) but time and a (6) that you'll lose
It's (5) but time and a (6) that you'll lose
It's (5) but time and a (6) that you'll lose I chose to feel it and you couldn't choose
