Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our hearts (2)_____ like

A neutron star collision

I have nothing left to lose

You took your time to choose

Then we (3)_____ each other

With no (4)_____ of fear that...

Our love would be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The world is broken

Halos fail to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their (5)_____ will be cloud

Then they'll dissipate

Like (6)_____ in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love could be forever

Now I've got nothing left to lose

You take (7)_____ (8)_____ to choose

I can tell you now without a (9)_____ of fear

That my love will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love will be forever
