

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You were on a mission

Then our hearts (1)_____ like

A (2)_____ star collision

I have (3)_____ (4)_____ to lose

You (5)_____ (6)_____ (7)_____ to choose

Then we (8)_____ (9)_____ other

With no (10)_____ of (11)_____ that...

Our love (12)_____ be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The (13)_____ is broken

Halos (14)_____ to glisten

You try to make a difference

But no one (15)_____ to listen

Hail, the preachers, fake and proud

Their (16)_____ will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love could be forever

Now I've got (17)_____ (18)_____ to lose

You (19)_____ your time to choose

I can (20)_____ you now without a trace of fear

That my (21)_____ (22)_____ be forever

And we'll die, we'll die together

Lie, I (23)_____ never

'Cause our (24)_____ (25)_____ be forever

Fill in the gaps

Answer

1. combined
