

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I (1)_____ nothing left to lose
You (2)_____ your time to choose
Then we told each other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our (3)_____ (4)_____ be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud

Their doctrines will be cloud
Then they'll dissipate
Like (5)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing left to lose
You (6)_____ your (7)_____ to choose
I can tell you now (8)_____ a trace of fear
That my (9)_____ will be forever
And we'll die, we'll die together
Lie, I (10)_____ never
'Cause our love will be forever

Answer

1. have
2. took
3. love
4. would
5. snowflakes
6. take
