

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a (1)_____ (2)_____ morning, in the
(3)_____ (4)_____ the light
In flames of death's eternal reign we ride towards the fight
And the darkness is (5)_____ down
And the (6)_____ are tough all right
The sound of evil laughter (7)_____ (8)_____
the world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The scattered souls will feel the hell bodies
Wasted on the shores
On the blackest waves in (9)_____ domain
We watch them as they go
Through fire, pain and (10)_____ again we know
So now we fly ever free
We're free before the thunderstorm
On towards the wilderness our quest carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls
So far away we (11)_____ for the day
For the light source so wasted and gone
We feel the (12)_____ of a lifetime lost in a
(13)_____ days
Through the (14)_____ and the flames we carry on
As the red day is dawning
And the lightning cracks the sky
They raise their hands to the (15)_____ above
As we (16)_____ them to their lies

Running back through the mid-morning light
There's a burning in my heart
We're banished from the time in the fallen land
To a (17)_____ beyond the stars
In the blackest dreams we do believe
Our destiny this time
And (18)_____ we'll all be (19)_____
tonight
And on the wings of a dream so far beyond reality
All alone in desperation now the time is gone
Lost inside you'll never find Lost within my own mind
Day after day this misery must go on
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
Now here we stand with (20)_____ blood on our hands
We (21)_____ so hard now can we understand
I'll break the seal of (22)_____ curse if I
(23)_____ can
For freedom of (24)_____ man
So far away we (25)_____ for the day
For the (26)_____ source so wasted and gone
We feel the (27)_____ of a lifetime lost in a thousand
days
Through the fire and the flames we (28)_____ on

Fill in the gaps

Answer

1. cold
2. winter
