

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a cold winter morning, in the time before the light
In (1)_____ of death's (2)_____ reign
we ride towards the fight
And the (3)_____ is (4)_____
down
And the times are tough all right
The sound of evil laughter falls around the world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The scattered (5)_____ will feel the hell bodies
Wasted on the shores
On the (6)_____ waves in hells domain
We watch them as they go
Through fire, pain and once (7)_____ we know
So now we fly ever free
We're free before the thunderstorm
On towards the wilderness our quest carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls
So far away we wait for the day
For the (8)_____ (9)_____ so wasted and
gone
We feel the pain of a lifetime lost in a thousand days
Through the (10)_____ and the flames we carry on
As the red day is dawning
And the (11)_____ cracks the sky
They (12)_____ their hands to the heavens above
As we send them to their lies

Running back through the mid-morning light
There's a burning in my heart
We're banished (13)_____ the time in the
(14)_____ land
To a light (15)_____ the stars
In the blackest (16)_____ we do believe
Our (17)_____ this time
And endlessly we'll all be free tonight
And on the (18)_____ of a (19)_____ so far
(20)_____ reality
All alone in (21)_____ now the time is
gone
Lost (22)_____ you'll never find Lost within my own
mind
Day after day (23)_____ misery must go on
So far (24)_____ we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
Now here we stand with their blood on our hands
We fought so hard now can we understand
I'll break the seal of this curse if I possibly can
For freedom of every man
So far away we (25)_____ for the day
For the (26)_____ source so wasted and gone
We feel the pain of a (27)_____ lost in a
thousand days
Through the fire and the flames we carry on

Fill in the gaps

Answer

1. flames
